

Gimme Shelter Movie Screening Example Newspaper Advertising

Thanks for speaking with me about the **Gimme Shelter** movie that we would like to advertise in your newspaper. Here is the information:

On [date & time] at the [place], there will be a special showing of the movie, Gimme Shelter. This movie is based on a true story of a young teenager who possesses a tenacious, tough, indomitable spirit and will not surrender to fate. She escapes from a dead end life to her Wall Street father only to face additional challenges. This motivating movie is an excellent example for our teenagers of real life situations and how there is help available; they only need to be open and accepting to receive that help. The cost is a goodwill donation that will go directly to [your designated shelter charity or, if you choose, Several Sources Shelters in NJ]. Please encourage young people to attend and think about making this a family event that will support a charity.

I have attached a flyer if that would be helpful with the promotion. Feel free to contact me with any questions.

Thanks in advance for your support.
