

CRITICAL APPEAL TO HELP SAVE MORE OF GOD'S INNOCENT PREBORN CHILDREN!

SEVERAL SOURCES SHELTERS SHELTERS FOR MOTHERS & THEIR BABIES & HELP FOR NEEDY CHILDREN

"Thus says the Lord, 'A voice is heard in Ramah, lamentation and bitter weeping. Rachel is weeping for her children; she refuses to be comforted for her children, because they are no more.'" (Jeremiah 31:15)

October 2018

Dear Baby Saving Benefactor,

For the first time in our 37 year history, during this year's July 2018 NAPA INSTITUTE Conference in NAPA, California, we were allowed to present our Several Sources 2018 **SONOGRAM CENTER DIRECTORY** to help save God's innocent preborn nationwide. We also shared with the 600 attendees from throughout the entire U. S. how Several Sources was permitted to teach Seminarians from Immaculate Conception Seminary at Seton Hall University in South Orange, NJ, the development of one of God's innocent preborn children in the womb of his mother, first hand, by viewing a sonogram of a 20 week old innocent preborn baby boy.

This personal experience for the Seminarians immediately became a new and spiritually inspiring way for God's innocent preborn to be saved. For example one young seminarian, John, commented: *"I never have seen a sonogram before. I am just amazed at how active this baby is. I was moved to tears when I realized how active this baby is."*

As you read through our mailing and see the video of this event you will learn of the positive reactions of *Fr. Gabriel, a seminarian who viewed the sonogram and who is now the Parochial Vicar at Corpus Christi Church in Hasbrouck Heights NJ. You will also review the comments of prolife leaders and review the insight of the U.S. Apostolic Nuncio, Archbishop Christophe Pierre.*

I hope and pray you will be inspired to please help us to cover the baby saving expenses we incurred during this, our most unique opportunity to share and expand our baby-saving efforts through our participation in the 2018 NAPA Conference.

I ask you in the name of God's innocent preborn children and the most important baby saving decisions of their young, frightened and confused pregnant mothers, to please pray about and hopefully graciously decide to support the costs, explained within this heartfelt appeal for God's precious preborn children.
