

“Our Lady of Hope”

Prayer to “Our Lady of Hope” for the Health of An Expectant Mother and Her Unborn Child

Humble Mary of Nazareth, you were chosen by God to bear within you our world's greatest gift, the Savior of all humanity. We come to you now on behalf of all pregnant women who pray for the health and safety of the child that God has graced them to conceive. Guard this life that God has created, and protect the mother God has chosen for this child.

Let your gentle hands, like that of a skilled physician, assist in her delivery so that this baby will know good health and lasting happiness.

May her child be favored with the grace of Holy Baptism, and grow to love our Lord Jesus Christ above all else in this world. Amen.

Dear Friend, we ask all who read this card to share its contents with others – in particular young people – to help educate them in our work and mission of the Several Sources Shelters. God bless you for helping us in our mission to help His innocent preborn and their mothers today, tomorrow and always. Amen
