FEBRUARY 2020

Dear Several Sources Benefactor,

This past December we had the joy of sharing the celebration of Christmas with the Knights of Columbus and the Celebration of the glorious birth of our Dear Lord Jesus.

We were honored to attend a Christmas party given by the Knights of Columbus in Clifton, NJ. They were presenting us with a check towards purchasing a new Sonogram Vehicle in our continuing effort to save more and more babies’ lives.

*Jim Sweeney, NJ Knights of Columbus State Advocate, Kathy DiFiore (Founder – Several Sources), Ray Lill, Knights of Columbus, PGK, FDD, and Luis, Sandra and “saved” baby Jessica enjoying the celebration.*

It only seemed appropriate to have our Sonogram Staff from “Our Gift of Hope” in Englewood, NJ attend the event with us. Louise, our Sonogram Manager, Jessica our Sonogram Technician along with Sandra, Luis, the baby’s father, and their “saved” baby Jessica born on 9-2-19 attended the celebration with me and our Vice President Susan.

Sandra, became a first time mom at the age of 21 and felt her life became better when she stumbled across “Our Gift of Hope”. Sandra has received all the support she needs from Several Sources and has the love and support of Luis who has promised to be there for her and their daughter Jessica.

Sandra and Luis were pleased to be invited to the Knights of Columbus’ Christmas party where they were able to engage in pleasant conversations and good food. Luis was amazed that Several Sources and the Knights of Columbus would go out of their way to help strangers and by doing so makes this world a little better. Luis is so grateful for his daughter today and says he can’t imagine not seeing her precious face every day.

Camille is a 26year old first time mom living in Bergenfield, NJ with her family. Camille spoke little English and was well mannered all the while speaking about getting help for her and her baby. **Camille was offered a sonogram and she was thrilled to see her baby on the screen with a loud heartbeat that filled the room as she looked in disbelief as the baby was moving inside of her womb.** Camille found out she was expecting a little baby girl. She was very happy to find "Our Gift of Hope" on the web because she would have sought out an abortion. Camille gave birth on September 25th to baby girl Calinoniella weighing 6lb. 6oz.

Sarah and her husband's story was in our August appeal. They had recently arrived in the U.S. from India and asked for our assistance. **Sarah was offered a free sonogram and found she was 11 weeks pregnant. They were ecstatic to hear their baby's heartbeat.** Sarah and husband felt overjoyed and grateful to have found "Our Gift of Hope". Happy to say that Sarah gave birth to a beautiful boy named Sadeq. He was born on November 13, 2019 at 7lb. They are so happy to have their little boy in their lives.

Your continued support is a blessing to the many families in need who come to Our Gift of Hope sonogram center. 100% of the women we have served **Choose Life** for their precious babies.
