SEVERAL SOURCES SHELTERS SHELTERS FOR MOTHERS & THEIR BABIES & HELP FOR NEEDY CHILDREN

"Thus says the Lord, 'A voice is heard in Ramah, lamentation and bitter weeping. Rachel is weeping for her children; she refuses to be comforted for her children, because they are no more.'" (Jeremiah 31:15)

Mother's Day 2020

Dear Several Sources Baby Saver,

Happy Mother's Day. We pray that all the mothers and all our benefactors are safe and healthy during these troubling times in our country and throughout the world. Here at Several Sources each day at 3pm we stop and recite the following prayer:

Dear Lord, during this difficult and complex time of the Coronavirus we pray each day for our Several Sources families, employees and benefactors as they are concerned about their families and friends. During this time of confusion, may we each be inspired to pray a Rosary and watch an evening mass on TV when possible.

"Holy God, Holy Mighty One, have Mercy on Us and on the Whole World." AMEN.

We are at a time in our lives where only our faith and trust in the Lord will see us through these most unprecedented times.

One of our volunteers who is a RN conducts workshops with our mothers that have spiritual and bible components to them. Currently they are reading & discussing the book "You Can Heal Your Life" by Louise Hay. She sent us the following message:

"Oh these will be trying times. We are doing well. My son was exposed at his college 2 weeks ago but has been home since last Monday with no symptoms. We have been staying home to flatten the curve. I keep you all in my daily prayers. My new go to: **"trust in the Lord with all your heart and do not lean on your own understanding."** Sending you, the staff, the Moms and the little ones an abundance of peace and prayers." **"If nothing I believe this will draw people closer to God."**

**SO LET'S UNITE IN PRAYER AND BRING OUR
COUNTRY BACK TO A HEALTHIER, HAPPIER AND
PEACEFUL NATION.**

PRAYER CHANGES THINGS!!!

Here at the shelters we are ALL safe and trying to keep things as normal as possible. We wanted to let you know what our mothers are doing at this time.

Savannah and her daughter Nevaeh (10-25-17).

Samantha with Noah (9-15-17) and Jayden (2-18-16).

Our mom Savannah is a Certified Nursing Assistant (CNA) working at a local Assisted Living facility. Due to the coronavirus and Savannah living at the shelter with other mothers and babies she is taking a two week respite from her job.

Samantha has recently finished her studies in Cardiovascular Sonography and is studying for her exam to obtain her license. Her testing has been postponed several times due to the Coronavirus.

Danyelle had worked in the paralegal realty industry before getting pregnant with her beautiful daughter Charlotte (nickname: Charli). With Charli approaching 6 months **Danyelle started to go on job interviews and has secured a position as a paralegal working online for a firm in Fort Lee, NJ.**

Kiana gave birth to Kian Dior on 2-8-20 weighing 5 lbs. During her pregnancy Kiana worked in the security industry right up to the arrival of her daughter. **Kiana plans to get her degree in business and work in the retail industry.** We have a board member who is helping Kiana to get started with on-line college courses.

Our 2 pregnant mothers are busy with school work. **Aliz, our 18 year old High School Senior, is working on a 10-page term paper for her Financial Algebra Class.** She has chosen Statistical Analysis of Life Expectancy and Infant Mortality as the subjects of her paper.

Charli (9-26-19) enjoys time in her bumper seat.

Kian Dior at 2 months old (2-8-20).

Safiya, our 19 year old pregnant mom, is preparing for her GED. **She started taking her GED classes online via ZOOM** because of the pandemic. She also has been able to continue her counseling sessions on Face Time. Modern technology is definitely a plus during these unprecedented times.

Thank you for your continued support and please this Mother's Day be as generous as you possibly can.

We promise to continue to work hard to save as many innocent preborn as we possibly can in God's Holy Name.

Your Sister in Christ Jesus,

Kathy DiFiore,

Founder and President of the Several Sources Shelters
